

UX/UI DESIGNER

Full-time

About Finnoq:

We as humans are the only creature who can make both conscious and instinctual decisions. Our vision?

To create a world where everybody has access to reliable information to make optimal decisions. Finnoq looks to empower people from around the globe to monetize their opinions, truly giving the power back to the people. We believe this is a future worth fighting for.

To fulfill our mission, we are looking for you as part of our dedicated and diverse team!

What is your mission:

- You analyze applications and find a way to make them even better
- You develop high-quality, user-centered digital and UX concepts
- You develop workflows based on use cases and create wireframes or resulting mockups
- You create first-class designs and customer experiences

Necessary requirements for this mission:

- At least 2 years of professional experience
- Understanding of interface and interaction design principles
- Usability, user experience and user interface design expertise
- Familiar use of common tools such as Sketch, InVision, etc.
- HTML/HTML 5/CSS/JavaScript
- Experience with bootstrap and material design
- Very good skills in Adobe Creative Cloud
- High level of creativity and analytical thinking, precise working style and a touch of flexibility, coupled with a good basic technical understanding
- Excellent German and English skills

What can you expect?

- An agile, interdisciplinary and multicultural team
- Varied, exciting tasks and projects
- The possibility to implement your ideas and strategies and have a direct impact on the company's performance
- Flexible working hours
- Amazing office space
- Various employee benefits (unlimited coffee, incentive evenings etc.)
- Team-building events
- Relaxed, creative environment with a startup mentality

Salary: For this position, a gross monthly salary of **2.394 €** is planned for **38,5 hours per week**. Overpayment depending on work experience and qualifications is possible!

Send us your application documents including motivation and work experience at: **team@finnoq.com** adress it to **Martin Walch**.

Your finnoq-Team
